

GENERAL INSTRUCTIONS
COMPLETION OF THE ANNUAL REPORT FOR NON-RRGs

These instructions are not all-inclusive but will cover the more important points or areas that may have changed from previous versions of the annual report. Completed annual reports should be submitted as PDF documents. The PDF version shall be submitted to captivemail@doi.sc.gov no later than March 1st of each year, or within 60 days of the fiscal year-end for those with alternate year-end dates.

To have the full functionality that we've built in, you will need to enable macros. However, if you elect not to enable the macros, the document will still work and can still be completed. The only functionality you will not have is the ability to jump from the table of contents (TOC) to a given page within the annual report.
